Subject: Re: Conns

Conn's doesn't have performance data and the buyer obviously wouldn't share. Should I call Robert to find out what we can share by way of explanation?

Subject: Conns

Lou:
Getting some questions here about former buyer of Conns. The question is, did they stop funding because of performance. It is a fair question. Can you get them to share their performance to validate that it was not a performance issue?

Bryan
